area police departments.

The Safe Homes Pledge

- “We will not serve nor will we allow the illegal consumption of tobacco or alcohol by youth under the legal age in our home or on our property.
- We will not allow parties in our home when we are not there.
- We will not allow the use or presence of any illegal drugs in our home or on our property.”

We hope you will find the Denison Community High School Safe Homes Directory helpful. You can use this directory as a resource to ensure healthy environments in which the use of alcohol and others drugs is not considered “the norm.”

The Safe Homes Directory will be updated monthly and can be viewed at the Denison Community School District web site (www.denison.k12.ia.us)

Because I Love You....

I need the following information BEFORE you leave.

1. Where are you going? What is the phone number?
2. Who are you going

with? (I need to meet all of your friends and have their phone numbers.)

3. How are you getting there?
4. What will you be doing?
5. Where else will you be going?
6. What time will you be home?

Remember to use good judgement, be responsible, and call if you change plans. Because I love you, I may drive by or call to ensure you are safe.

Have a good time!
Be careful!
Love ya!
